

# Jesus' Family Tree

## Lesson 7 – Moses, Joshua, Rahab

1. In Scripture, you repeatedly see God choosing error-prone, yes even *stupid* at times, human beings to work through. Why does He do this? He *could* choose to do the work himself (as in the flood), yet He chooses to do his work through people like Moses – and you.
2. Reference Deuteronomy 4:9 – what might Moses encourage God's people today to “not forget”?
3. What fears do we sometimes have that keep us from trusting God and following His will?
4. Rahab is the 2<sup>nd</sup> woman of 5 listed in the genealogy of Jesus. Who are the other 4?
5. Rahab had at least 3 strikes against her from an Israelite point of view. What were they?
